Lutherans and Christmas Etc.

Our OMI weekly e-newsletter below contains an article on Lutheran Friends, with Lutheran Christmas season and Garrison Keillor.

Let us also remember those non-practicing Catholics who came to Mass on Christmas, and even the non-Catholics who might have shown up, and can use a little encouragement to return for Jan. 1 or Epiphany on Jan. 7. The hymns, readings, and atmosphere at Mass during this season can heal wounds and bring people to a relationship with Jesus Christ. May the Holy Spirit help us know how to encourage these people to attend church regularly.

And a most happy and holy New Year to the members of our Five Ways Fellowship. After a quiet period of several months, the website Mission-Unity-Dialogue is up and running again.
